

INSTRUCTIONS TO REMOVE:

1) PUSH ON LOGO "A" AT THE SAME TIME AS PULLING "B" (RIGHT) AWAY FROM THE REAR OF THE DASH.

2) WHILE STILL HOLDING "B" AWAY FROM THE DASH, PULL "C" (LEFT) AWAY FROM THE INSIDE OF THE DASH, THEN CAREFULLY PULL TOWARD YOURSELF.

3) DO NOT APPLY TOO MUCH PRESSURE, THIS STUFF WILL BREAK.

ONCE YOU SEE HOW IT WORKS, IT'S PRETTY EASY.
